

Join us in celebrating our **100th** Bright Space

We have made this easy guide on how you can make this campaign your very own!

100 your way!

Bright Horizons
FOUNDATION
for Children.

In 2024 we celebrate the opening of our 100th Bright Space in the UK! To celebrate this milestone, we are bringing together the entire Bright Horizons community in a collective effort to raise **£100,000 by the end of the year**, to positively impact the lives of vulnerable children and families in our Bright Spaces.

100 Your Way is our year-long, 100-themed fundraiser, in which individuals, teams, workplaces and communities commit to raise a minimum of £100. On the next page we have put together a list of 100-themed ideas to get you started, but you can come up with your own!

Once you have decided what to do, please register your fundraiser [here](#), and we will help promote it for you on our social channels. You will also receive an official certificate recognising successful completion of your fundraiser.

To make it as easy as possible for you, we have set up a [Just Giving campaign page](#) with a handy QR code that you can share with your supporters. Alternatively, if you want to set-up your own Just Giving page, you can link it to the campaign by clicking on the orange 'Start Fundraising' button on the campaign page.

We also have a range of resources available including sponsor form, customisable poster and certificates which you can download [here](#).

We'd love to celebrate and share your efforts with our community so please share photos and videos on social media using the hashtag **#100brightspaces**.

Thank you for your support and making a difference with us. We hope you have fun!
